

Fiber Optic Cable Splice Clamp

Overview

Keep cables secure and enclosures from moving around while preparing and splicing. Easy open clamp with bull nut that spins freely to tighten. Designed by a by a fiber splicer with 25 years experience in the field, FasClamp and FasclampXL can be used in any splicing vehicle, trailer, or table mounted. The Fiber Reaper isn't just another fiber optic cable clamp—it's the BEST on the market! The innovative design on the Fiber Reaper takes a whole new approach to the fiber optic cable splicing clamp. Made from strong composite, the leveling kit features angled feet with grip pattern surface. U-TECK's FIBER-GRIP Splicing Clamp was designed specifically for our Fiber Splicing Workstation.
