

Grenada manufactures electrical distribution boxes and cabinets

AI Overview

Grenada has a range of manufacturers and suppliers producing electrical distribution boxes and cabinets, serving both local and international markets.

Local Manufacturers and Suppliers

The Supply Company in St. George's, Grenada, is a prominent provider of electrical distribution equipment, offering a variety of products including switchgear, distribution panels, and wiring accessories for industrial and residential applications (supplygd.com) . They also provide consultancy services for electrical installations, making them a key player in Grenada's electrical distribution sector. Hubbard's Hardware also supplies electrical components and distribution boxes, catering to both retail and commercial customers across the island (hubbardhardware.gd) . They offer a range of electrical cabinets and related hardware suitable for local infrastructure projects.

B2B and Wholesale Options

Grenada-based manufacturers and suppliers are listed on international B2B platforms such as Go4WorldBusiness and Europages, where companies offer high-voltage and waterproof distribution boxes, control panels, and custom electrical enclosures for export (go4worldbusiness.com; europages.co.uk) . These platforms provide access to verified suppliers, product specifications, and bulk pricing, facilitating both domestic and international procurement.
