

Norwegian Electrical Box and Distribution Box Manufacturer

AI Overview

Stansefabrikken and Elcor are leading Norwegian manufacturers of complete electrical distribution boxes and panels.

Stansefabrikken

Stansefabrikken is recognized as Norway's leading supplier of electrical cabinets, offering a wide selection of NEBB, AltiEtt, TKS, industrial cabinets, and cable cabinets. Their products are available in various materials, including plastic, polyester, acid-resistant materials, aluminum, and standard black steel, allowing for flexible and customized solutions. They provide certified electrical products suitable for housing, industrial, and infrastructure applications, distributed through electro wholesalers across Norway. Their focus is on high-quality, flexible, and competitively priced solutions with strong customer support and engineering guidance (Stansefabrikken Products) .

Elcor

Elcor is the Nordics' largest manufacturer of electrical panels for automation and industry, with a presence in Norway, Denmark, Sweden, Poland, and Lithuania. They specialize in designing and building panels tailored to exact customer requirements, supporting new installations, upgrades, and standardization projects. Elcor emphasizes sustainability and energy-efficient solutions, providing engineering expertise and proven solutions for industrial and commercial electrical distribution needs (Elcor) .
