

Preferred Supplier of Explosion-Proof Distribution Boxes in Guatemala

AI Overview

Several reputable suppliers in Guatemala provide certified explosion-proof distribution boxes, including Warom, Alibaba-listed manufacturers, and Bartec, offering ATEX, IECEx, and other international standards compliance.

Key Suppliers

1. Warom Technology Warom specializes in explosion-proof electrical equipment, including distribution boxes, lighting, control equipment, and cable connectors. Their products comply with IEC, ATEX, and IECEx standards, making them suitable for hazardous locations such as petroleum, chemical, marine engineering, and mining industries . Warom offers a wide range of models and customization options to meet industrial requirements. 2. Local Manufacturers on Alibaba Several manufacturers listed on Alibaba operate in Guatemala, offering low-voltage integrated explosion-proof distribution boxes. These products feature carbon steel or stainless steel enclosures, composite explosion-proof structures, and customizable electrical components such as circuit breakers, contactors, and meters. They are suitable for Zone 1, Zone 2, Zone 21, and Zone 22 hazardous environments and have certifications including ATEX and IECEx . These suppliers also provide sample orders and full customization services. 3. Bartec Bartec provides modular power distribution boards, junction boxes, and cabinets up to 40kV, with fully integrated services including consulting, engineering, installation, and maintenance. Their solutions ensure safety, regulatory compliance, and optimized performance for industrial applications .
