

Price quote for multi-hole trough cable trays

AI Overview

The price of multi-hole trough-type cable trays varies based on material, size, and supplier, with options available for bulk orders and OEM customization.

Pricing Overview

Multi-hole trough-type cable trays are available in a range of materials including hot-dip galvanized steel, stainless steel (304/316), and flame-retardant PVC, which influence the cost. Prices can vary depending on tray width, length, perforation pattern, and load capacity. Suppliers often provide factory-direct pricing or OEM options, which can reduce costs for bulk orders.

Supplier Options

- **Made-in-China:** Offers factory-direct and OEM trough cable trays with competitive pricing. You can request a tailored quote based on your specifications, including load capacity and environmental conditions.
- **Alibaba:** Lists high-quality, durable, and affordable trough-type cable trays suitable for industrial and commercial applications. Quotes can be requested directly from suppliers.
- **Tradewheel:** Provides access to global manufacturers and distributors, allowing you to submit an RFQ (Request for Quote) to receive competitive offers from multiple suppliers.
