

Ranking of Network Cabinet Manufacturers in the Middle East

AI Overview

Top network cabinet manufacturers in the Middle East include Rittal, Cisco, Schneider Electric, Legrand, HPE, and Chatsworth Products (CPI), recognized for their high-quality, innovative, and reliable data center solutions.

Leading Manufacturers

- Rittal – A global leader in rack and enclosure solutions, Rittal offers server racks, network racks, and wall-mounted enclosures. Known for durability, scalability, and energy efficiency, Rittal has a strong presence in Saudi Arabia, UAE, and Qatar, providing customized solutions for high-performance data centers .
- Cisco – Renowned for networking and data center solutions, Cisco provides racks designed for optimal airflow, cable management, and power distribution. Their offerings support both traditional and modern computing systems, with consulting services for data center design and implementation across the Middle East .
- Schneider Electric – Specializing in energy management and automation, Schneider Electric supplies server racks, network cabinets, and advanced cooling enclosures. Their solutions focus on space optimization, energy efficiency, and sustainability, with offices and facilities in the UAE and Saudi Arabia .
- Legrand – Legrand provides electrical and digital infrastructure solutions, including racks and cabinets optimized for thermal efficiency, cable management, and security. Their Middle East operations support the expansion of data center infrastructure across various industries .
