

Reputable Stainless Steel Mesh Cable Tray Company

AI Overview

VALDINOX, JLH Electric, Marlin Steel, and SILTEC are leading manufacturers of high-quality stainless steel mesh cable trays.

VALDINOX

VALDINOX specializes in wire mesh cable trays, supports, and accessories, offering one of the largest production capacities in Europe. Their EASYCONNECT® system integrates a unique fixing mechanism that leverages the elastic properties of steel for enhanced strength, safety, and extended service life. VALDINOX emphasizes custom-made solutions, fast delivery, and compliance with project-specific requirements, making it suitable for diverse industrial and commercial applications .

JLH Electric

JLH Electric manufactures stainless steel wire mesh cable trays using high-quality 304 or 316 stainless steel. Their trays are designed for excellent corrosion resistance, ventilation, and cable protection, suitable for industries such as IT, food processing, and telecommunications. JLH offers custom sizes, lengths, and configurations, including curves, slopes, and tees, with options for indoor and outdoor installations. Their trays are lightweight, flexible, and engineered for easy cleaning and inspection .
