

Which company offers SC fiber optic patch cords

AI Overview

SC-type fiber optic patch cords are available from ZION Communication, Primus Cable, Leviton, Weunion, and Foss Fibre Optics.

Several reputable companies supply SC-type fiber optic patch cords suitable for both single-mode and multimode applications: ZION Communication offers a wide range of fiber patch cords, including SC connectors, with options for single-mode (OS1/OS2) and multimode (OM1-OM5) fibers. They provide customizable lengths, bend-insensitive fibers, and armored jumpers for various installation environments . Primus Cable supplies SC, LC, and ST fiber patch cords in single-mode and multimode variants. Their SC connectors are available with PC, UPC, and APC polish types, suitable for indoor and outdoor applications, including patch panels and optical switches . Leviton provides SC fiber patch cords in both single-mode (OS2) and multimode (OM1-OM5) fibers. They offer premium low-insertion-loss options, custom lengths, and economy versions for cost-effective solutions . Weunion manufactures SC fiber patch cords for enterprise networks, data centers, and telecom infrastructure. Their cords are tested for insertion loss, return loss, and mechanical durability, ensuring reliable performance . Foss Fibre Optics delivers SC patch cords as standard or custom solutions, with a focus on high-quality components and long-life performance. They cater to FTTH, enterprise, offshore, and power utility applications . These companies provide SC-type patch cords with various fiber modes, connector polish types, and customizable lengths, making them suitable for a wide range of networking and telecom needs.
